Statement for Publication

MLS continues to supply good quality courses in a friendly and welcoming setting. The premises are attractive and well-maintained, and the Owners continue a hands-on approach to the intensive and immersive programmes which have been established over many years. Students spoke very highly of the quality of teaching and the well-structured activity programmes which are well-integrated in the overall provision.

This inspection focused on adult courses taught at Moor Cottage only. If there is a change in provision to include under18s or classes taught elsewhere, ABLS must be informed.
